aavara

Single Monitor Stand w/ 2 Pivot

Aavara Free-style Single Monitor stand, featuring height adjustment for ergonomics. With the wide angle of -30°(down) ~ +65°(up) Arm Tilt, +/- 90° arm swivel and a 360° rotation, easily to tilt your best viewing angles for screens without any efforts. It supports VESA 100x100/75x75mm display and ExperTorque™ technology enables adjustment of the screens hinged by its weight.

Smart cable management system keeps messy cables in good order. Ergonomic pivot arm makes the most efficiency at work.
